PROFESSIONAL SUMMARY

I am a detail-oriented Operations Specialist and Franchise Project Coordinator with hands-on experience in employee data management, sales reporting, attendance tracking, and cross-departmental coordination within the telecom sector. I currently support the SALAM franchise project at Mina Excellence. I hold a Cisco Networks Diploma from King Saud University and an active SCE certification.

WORK EXPERIENCE

Salam Franchise Project Coordinator

Mina Excellence – SALAM Telecom (Franchise) | Riyadh, Saudi Arabia

Current

- I built and maintained the employee database including IDs and equipment/custody (Uhdah) numbers.
- I managed onboarding data: job offer follow-ups, profile completion, and pre-employment verification.
- I recorded and analyzed daily sales reports per employee, tracking trends and flagging irregularities.
- I monitored daily attendance logs, ensured schedule compliance, and reported discrepancies.
- I resolved employee operational issues as the primary point of contact.
- I collaborated with HR and IT to finalize contracts and complete equipment custody handovers.
